

# An Invitation to LQ's Symposium

June 9, 2011, 7:00am to 4:00pm Toronto Country Club

## Supply Chain Innovation in an Expanding Economy

One of the greatest hurdles to mitigate in business continues to be the perspective that businesses should continue to conduct themselves based principally on past practices. The Agenda for this exciting day includes the following three sessions and impressive roster of Speakers:

- *Fostering Innovation in Customer-3PL Relationships in an Expanding Economy*
- *Growing and Developing Supply Chain Talent Across Borders*
- *The Greening of Global Supply Chains*
